

ABS and ABDC Journal Rankings

The following journal ranking was compiled primarily based on two sources, **ABS** (Association of Business Schools) and **ABDC** (Australian Business Deans Council).

Rankings in the **ABS** list were standardized as 4* (a world elite journal); 4 (a top journal); 3 (a highly regarded journal); 2 (a well-regarded journal); and 1 (a recognized journal).

The **ABDC** list groups the journals into A* (best or leading journal in its field); A (highly regarded journal in the field or subfield); B (well-regarded journal in the field or subfield); C (recognized journal). The Harzing's 52nd edition Journal Quality List (2014) was also taken into account in the compilation process.
